DESCRIPTION

2021 Vauxhall Corsa-e SRi Nav Premium Auto | 29,500 Miles | Battery Warranty

2 owners, MOT Due: 17/03/2027

A well-presented 2021 Vauxhall Corsa-e SRi Nav Premium finished in excellent mechanical condition with just 29,500 miles from new.

The car drives superbly with no warning lights and offers smooth, quiet and economical electric driving. It's ideal for commuting, first-time EV owners or anyone looking to reduce running costs.

Specification includes:

- * 29,500 miles
- * Automatic
- * Fully Electric
- * SRi Nav Premium
- * Apple CarPlay & Android Auto
- * Satellite Navigation
- * Heated Front Seats
- * Heated Steering Wheel
- * Reversing Camera
- * Front & Rear Parking Sensors
- * Cruise Control
- * Climate Control
- * LED Headlights
- * Alloy Wheels
- * ISOFIX
- * Two Keys
- * Charging Cable Included

The vehicle also benefits from the manufacturer's 8-year/100,000-mile battery warranty, with approximately 3 years remaining providing extra peace of mind.

The car has service history and has been well maintained. It's due for a service but with being an electric car it's not mandatory.

Cosmetically, there are scratches to the alloy wheels and a small scuff on one rear bumper corner. These are purely cosmetic and do not affect the way the vehicle drives.

The car is HPI clear, starts first time, drives exactly as it should and is ready for its next owner.

Any inspection or test drive is welcome.

Very good price well under market value and you will not be disappointed. First to see will buy.

FEATURES

- * 29,500 miles
